

Wonderful Donate Buttons

In this folder, you'll find a number of sub-folders which contain buttons in the respective colours. There are **four** types of button, solid with shadow, solid without shadow, outline with shadow and outline without shadow and for each type you can choose with or without a **heart icon**. Each button also comes in three sizes, **Large** (illustrated below), **Medium** and **Small**.

The files are named as indicated under each button so that you can locate the style which suits your website, email signature, social post or wherever you'd like it to appear.

Simply link the button to your charity's payment web page which will take the form:

<https://wonderful.co.uk/pay?ref=12345678>

(where 12345678 is replaced with your charity's registration number).
